

KENTUCKY

STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP) For FY 2005-2007

AMENDMENTS #2004.050 and #2004.051

I. Proposed Action:

The Kentucky Transportation Cabinet (KYTC) hereby requests the Federal Highway Administration (FHWA) to amend the FY 2005-2007 Statewide Transportation Improvement Program (STIP) to include the project phases identified on the enclosed spreadsheet, with the following columns of information included:

Project location, ID Number, Route Number, Type of Work, Project Description, Phase, Type of Fund, Total Cost, Federal Portion, Scheduled Fiscal Year, and Subject to STIP Fiscal Constraint

II. Additional Remarks:

The identified project phases were included within the 2004 Recommended Six-Year Highway Plan. However, in September 2004 the federal funding had not been programmed and, by mistake, these project phases were omitted from the listing of projects at the time of printing the final 2004 STIP. The funding for the identified project phases were included with the overall "Fiscal Constraint" calculations; therefore, a new fiscal constraint analysis is not needed.

III. Amendment Approval:
